NET WEIGHT 1.3 oz / 37 g

**PRECAUTIONARY STATEMENTS**  
**HAZARDS TO HUMANS & DOMESTIC ANIMALS**  
**CAUTION**

Harmful if swallowed or absorbed through skin. Causes eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling.

**STATEMENT OF PRACTICAL TREATMENT**

**If Swallowed:** Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting.  
**If in Eyes:** Flush eyes with plenty of water. Call a physician if irritation persists.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Remove cap at tip of barrel of the prefilled, disposable syringe and apply paste only in areas not easily accessible to children and pets. Apply paste near aggregation and harboring areas. Apply behind and under the following: stoves, refrigerators, dishwashers, sinks, counters, shelving, washing machines, tubs, waterpipes, around pipe collars, drains, sewers, manholes, electrical boxes, cracks and crevices of baseboards, in corners of cupboards, cabinets and closets. Remove drawers from chests and cabinets, apply freely into corners of drawer wells. Reapply every two to three months. All visible paste should be packed into cracks and crevices. Remove excess paste and dispose into garbage. Avoid contamination of food and feed stuff.

**Food Areas:** (Restaurants, Food Processing and Food Handling Establishments, Dining Rooms, etc.): In Food Areas, application is limited to crack and crevice treatment only in areas where food and feed stuff are received, sorted, prepared, packaged (canning, boxing, or wrapping) or served. Care must be taken to avoid depositing this product on serving surfaces where food and feed stuff are processed or exposed. Avoid areas likely to be contacted by food. **Non-Food Areas:** Apply to cracks and crevices and around water pipes in areas such as garbage rooms, locker rooms, mop closets, boiler rooms and lavatories.

**STORAGE & DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store in original container away from food and feedstuffs. Keep product in a locked storage area.

**DISPOSAL:** Do not reuse container. Wrap and place in trash collector.
